Professional Summary

GIS Specialist with professional experience delivering enterprise GIS, utility network, surveying, CAD-to-GIS conversion, spatial analysis, QA/QC, and geospatial database solutions across Egypt and Saudi Arabia. Currently supporting governmental utility projects at the Utility Networks Center, Matruh Governorate, while working remotely with Vision Dimensions Engineering Consultancy. Experienced in ArcGIS Pro, QGIS, SQL, Enterprise Geodatabases, Remote Sensing, and infrastructure mapping.

Core Skills

- CAD to GIS Conversion
- Topology Validation
- Utility Network
- Enterprise Geodatabase
- Data Reviewer
- QA/QC
- Spatial Analysis
- Remote Sensing
- Infrastructure Mapping
- Utility Mapping
- Coordinate Systems
- UTM Projection
- GNSS/GPS
- RTK Survey
- Cartography
- Geoprocessing
- Georeferencing
- Digitizing

Professional Experience

GIS Specialist – Utility Networks Center, Matrouh Governorate (Apr 2025–Present)

- Manage and maintain GIS databases.
- Perform spatial analysis and produce professional cartographic products.
- Support governmental utility infrastructure projects.

GIS Specialist (Remote, Part-Time) – Vision Dimensions (Apr 2025–Present)

- Support enterprise GIS infrastructure projects remotely.
- Convert CAD utility drawings into Enterprise Geodatabases.
- Perform topology validation and QA/QC.

GIS Specialist – Vision Dimensions, Jeddah (Apr 2024–Apr 2025)

- Converted water, sewer, and stormwater CAD drawings into GIS databases.
- Performed topology validation and QA/QC.
- Contributed to the Comprehensive Survey Project for Stormwater & Groundwater Networks in North & South Jeddah.

GIS Specialist – Quality Standards for Information Technology (Oct 2023–Apr 2024)

- Contributed to the Al-Ahsa Governorate Utility Network Project.
- GIS editing, topology validation, QA/QC, and database preparation.

Land Surveyor – REDCON Construction (Aug 2023–Oct 2023)

- Performed construction surveying using GPS, Total Station, and Level.
- Site layout and as-built surveys.

Key Projects

- Electrical Utility Network Project – Al-Ahsa Governorate, Saudi Arabia.
- Comprehensive Survey Project for Stormwater & Groundwater Networks – North & South Jeddah, Saudi Arabia.
- CAD to GIS conversion for Water, Sewer and Stormwater infrastructure according to client GIS schema.

Education

B.A. Geomatics, Alexandria University (2023)

CGPA: 3.407 (B+)

Ranked 2nd in the Geomatics Department

Professional Diploma in GIS

Arab Academy for Science, Technology and Maritime Transport

Grade: Excellent Sep 2021 – Jul 2023

Certifications

- ArcGIS Pro Essential Training (LinkedIn Learning)
- Introduction to GIS Mapping (Coursera)
- GIS Data Acquisition and Map Design (Coursera)
- Spatial Analysis and Satellite Imagery in GIS (Coursera)
- GIS Mapping and Spatial Analysis Capstone (Coursera)
- Udemy - GIS Integration With CAD
- Saudi Council of Engineers
